Yarn

### Work experience

#### *PicoLove*

Web Developer Jr. | 2021 - Present

I created web pages for several clients as well as maintaining them for over a year

#### **UTOPICODE**

Dev Community Lead | 2020 - Present

I am in charge of organizing events in order to increase reach of the company in social media through webinars. To do so I've worked with many communities focused on diverse programming topics as well as giving webinars myself.

#### **Web Development instructor**

Instructor de desarrollo web | 2019 - ACTUALIDAD

I've given different development workshops since 2019 with programming communities and companies that are dedicated to teach courses such as EpicQueen, GDG UNAM, UTOPICODE, Laboratorio de tecnologías el Rule and centro cultural española

### Academic training

#### **FES ARAGON UNAM**

2017 - Present (on hold)

*Degree in Computer Engineering*

#### **DEV.F**

2017

Web Technologies bootcamp

### Portfolio

#### **Personal Website**

<https://www.ulysses316.com>
